## **“On Hold” Message Service!**

Increase your business while your customers are on hold!

SharkTooth Networks is pleased to announce a new service designed to fit every business, “On Hold” Message Service. Our “On-Hold” Message Service is designed to optimize the time your customers spend on hold. When your customers are put on hold on your telephone system, they’ll hear messages custom produced, from and for your business. Use these messages to promote specific services or items that build your bottom line, increase your customer loyalty and keep customers informed. This customized service is available for less than a dollar a day and there’s no equipment to buy or maintain! Call SharkTooth Networks today and discover how easy and affordable our new “On Hold” Message Service can be.

- **Promote Profitable Items and Services!**
- **Keep your Customers Informed!**
- **Increase Customer Loyalty!**
